

# ASEAN STUDENT LEADERS FORUM DELEGATE APPLICATION FORM

The **ASEAN Student Leaders Forum (ASLF)** is an annual conference that brings together student leaders from 26 member universities of the **ASEAN University Network (AUN)**. Generally, it aims to increase cooperation and understanding among the youth of ASEAN by providing an avenue for discussion and collaboration on possible channels and projects. For this year's theme, ASLF is pushing forward "**ASEAN, Our Home**", in which each member country finds its place and purpose in contributing to a one big network towards social change and development.

This Information Sheet offers us, the organizers, a glimpse of what to expect from the incoming delegates. Furthermore, it gives us an idea of how we can better improve the program of ASLF 2016.
